PROFILE

Third-year Business Administration student (graduating October 2026) with hands-on experience co-founding a startup as UX/UI lead and coordinating cross-functional teams. Combines a design/product mindset with basic Python and analytical skills (CS50x). International exposure through Erasmus in Germany and an academic exchange in China. Fluent in English (IELTS 7.5), currently building German (A1). Open to relocating within the EU for entry-level roles in digital product/UX or operations.

EXPERIENCE

Co-founder & UX/UI Designer | FlyBag

Bari, Italy | 12/2024 – 02/2026

- Co-founded a startup enabling tourists to ship in-store purchases directly from the shop, removing the need for travelers to manage local logistics themselves.
- Owned UX/UI design end-to-end: user research, wireframing and prototyping in Figma, and iteration based on user feedback.
- Led a small cross-functional team, coordinating design, development priorities and early operational workflow between shops, couriers and customers.
- Managed project timelines and stakeholder communication during the early-stage development of the service.

Campus Ambassador | Ernst & Young (EY)

Bari, Italy | 10/2024 – 07/2026

- Act as liaison between EY and the university, promoting recruitment events and career opportunities to students.
- Organize on-campus networking activities to increase student engagement with EY programs.

Community Host | Impact Hub Bari

Fiera del Levante, Bari | 08/2024 – 11/2024

- Welcomed guests and managed day-to-day co-working space operations, ensuring a professional environment.
- Organized and facilitated networking events to strengthen the local entrepreneurial community.

EDUCATION

Bachelor's Degree in Business Administration

Casamassima, Bari, Italy | 09/2023 – 10/2026

LUM – Libera Università Mediterranea "Giuseppe Degennaro"

- Competed in the "Make It A Case" business case competition, analyzing and solving real business challenges as part of a team.
- Selected for the YES (Young Envoys Scholarship) Program – China Education Association for International Exchange: one-month academic exchange at China Jiliang University, Hangzhou (May 2025).

Erasmus+ Exchange | Westfälische Hochschule

Gelsenkirchen, Germany | 09/2025 – 02/2026

- Coursework: Management Decisions, International Management, Development and Institutions of the EU (incl. excursion to the ECB, Frankfurt), Economics III – Economic Policy, German as a Foreign Language, Financial Reporting.

Liceo Scientifico "Gaetano Salvemini"
